LOUIS T. LOZANO NAMED TO NORTHERN CALIFORNIA SUPER LAWYERS®

Louis T. Lozano, Shareholder in Lozano Smith's Monterey office, has been named by California [Super Lawyers®](#) magazine as one of the top attorneys in Northern California for 2011. Only five percent of the lawyers in the state are named by *Super Lawyers*.

For Mr. Lozano, this marks his sixth year of being designated with this prestigious honor. He was also named a Northern California *Super Lawyer* in 2004, 2007, 2008, 2009 and 2010.

He is known as a thought leader and has been at the forefront of important legal issues in education law including school funding, land use and developer fees. He is best known for his labor negotiation skills and has resolved many serious labor disputes, avoiding costly strikes for his clients.

Each year the research team at *Super Lawyers* undertakes a rigorous multi-phase selection process that includes a statewide survey of lawyers, independent evaluation of candidates by attorney-led research staff, a peer review of candidates by practice area, and a good-standing and disciplinary check.

"It is once again an honor to receive this nomination from my colleagues at Lozano Smith and our terrific clients," said Lozano. "I continue to love what I do and am inspired by the new associates in our firm and the school board members and administrators helping to improve the field of education."
